Application of Fiqh Muamalat

Article Review Assignment

Article review is generally used to analyze and summarize articles and other written piece of work.

Date: 27 April 2020 – 1 July 2020

1. For this assignment you are to find a primary research article on a Fiqh Muamalat topic of interest, and evaluate it in 2 pages or less (~700 words, 12 pt Times New Roman, single line spacing), using your own words, by addressing the following:
 - What did the authors investigate, and in general how did they do so?
 - identify the hypothesis or research question
 - summarize the overall research article
 - What the literature research and methodology used in article and what results?
 - address the methodology and techniques used
 - summarize the results or data
 - What do you think of the study and the authors' conclusions?
 - identify the conclusions of the authors
 - provide any additional comments pertaining to the relevance or importance of the study
2. The article you use must be at least 3 pages long and be a primary or original research article. Secondary sources of information such as review articles, editorials and case studies do not qualify. You can find the journal article from UiTM Library website which provides student access to an on-line database EBSCOhost Academic Search.
3. Submit your article review on our uFuture course with reference of your article on the top of your paper submission:
 - ie. Najahudin Lateh (2019). Applying the Fuzzy Delphi Method (FDM) to analyze the expert consensus values for instrument of Shariah-compliant gold investment. *Pertanika Journal of Social Sciences & Humanities*, vol. 25 (4), p.165 - 178.
